MINISTRY OF HEALTH PROTECTION OF UKRAINE
IVANO-FRANKIV NATIONAL MEDICAL UNIVERSITY

Scientific and methodical conference with international participation
"TOWARDS BETTER PRACTICE IN THE DOCTOR OF PHILOSOPHY
TRAINING "

April 28, 2023, Ivano-Frankivsk

Dear colleagues!

We have the honor to invite you to participate in the work of the scientific and methodological conference with international participation "DEVELOPMENT OF BEST PRACTICES IN THE TRAINING OF DOCTORS OF PHILOSOPHY", which will be held on April 28, 2023 at the Ivano-Frankivsk National Medical University (Ivano-Frankivsk, Halytska Street, 2) with the participation of scientific and pedagogical staff of higher education institutions in Ukraine, Poland, and Great Britain.

Topics of the main areas of the conference:

1. Implementation of European and global standards of scientific research and research management in Ukraine.
2. Institutional and methodical principles of postgraduate studies, issues of awarding scientific degrees.
3. Analysis of the European experience of PhD training, content and peculiarities of educational and scientific training programs for the third-level higher education applicants.
4. Problems of academic integrity, academic mobility and publishing activity in the scientific environment.
5. Implementation of the regulatory framework for training and certification of highly qualified personnel in Ukraine.
6. The role of research reference centers in the process of training applicants for the third educational and scientific level of higher education.
7. Higher school pedagogy and teaching practice in the system of training doctors of philosophy.
8. Selection of the recipient's research topic: a combination of academic freedom and priorities for the development of professional science.
9. The main problems of training young scientists as viewed by the scientific and pedagogical workers, applicants, and stakeholders.
